

## KhushiKahani.com Help Center

### 1. Create a new user or log in:

- New user: click 'Create an account' on the Login page and fill in your email/username & password.
- Existing user: enter your Username and Password then press Login.
- Use the 'Show password' checkbox if you want to see what you're typing.
- You need to accept the Terms and Conditions of KhushiKahani before creating a profile.

### 2. How 'Edit My Profile' works:

- Click 'Edit My Profile' from the header.
- You'll see the 7-step wizard. Move step-by-step, add/remove details, and update any field.
- Use Next/Back to navigate. Required fields must be completed.
- At the end, press 'Review & Save' to commit your changes.
- Heads-up: leaving the wizard mid-way means your changes won't be saved.

### 3. Create Profile — Steps & Guidelines

- Click Create an account on the Login page.
- Fill in your username/email and password to register.
- After logging in, go to Edit My Profile to start the 7-step wizard.
- Complete all required fields in each of the 7 steps:
- Personal details (name, age, gender, etc.)
  - Location (country, state, city)
  - Education & profession

- Family details
- Preferences & lifestyle
- Horoscope or other optional info (if applicable)
- Contact details
- You must complete all steps before you can Review & Save your profile.
- If you leave midway, your profile will not be saved.
- You can upload up to 4 photos.
- After submission, the KhushiKahani team will call and verify your profile.
- Once the verification process is complete, then you will need to select one of the membership plans, after which your profile will be activated on KhushiKahani.com, and you'll be able to browse other verified profiles in the [ProfilesView](#).

#### **4. Complete all required fields in the 7-step process**

- You must complete all required fields across the 7 steps and then press Review & Save.
- Don't exit early: if you leave mid-way, your profile is not saved.
- If you need a break, keep the tab open and continue later.

#### **5. Add your photos:**

- You can attach up to 4 photos of yourself.
- File types: JPG or PNG recommended.
- Tips: use clear, recent photos; good lighting; face visible.

#### **6. Browse profiles in 'Profiles View':**

- After verification and membership plan selection, open '[ProfilesView](#)' to browse members.
- Filter by location: Country, State and City.
- Filter by gender: show only male or only female candidates.
- Use Clear to reset filters and see all available verified profiles.
- Click the profile "card" to see details of the person in an easy to read format!

## 7. Profile verification (manual)

- The KhushiKahani team manually calls and verifies every profile to ensure it's real.
- Once you submit your profile, our team will contact you for verification.
- Only verified profiles can take membership plans, so that you are visible in [ProfilesView](#).

## 8. Helpful tips & safety

- Privacy first: share personal info only when comfortable.
- Report concerns: if you notice a suspicious profile, report it to the team.
- Keep your profile fresh: update city, preferences, or photos regularly.
- Respectful community: be courteous and truthful.
